

Update from Kay and Fazilla: 5th April 2019

1. Easter break

We will be taking a short break over the Easter holidays. We hope you all have a good Easter and get a chance to enjoy some time with your families.

2. NHS Long term plan

In our previous updates we have talked about the NHS long term plan and the associated consultations, NNPCF representatives have [reported back from the Health Policy Influencing group](#) meeting. See our updates on 1st March and 11th February for more details. We have now had a response to the questions put to the NHS - please see the attached document.

In addition, there is a [consultation](#) on legislative changes to support the implementation of the plan which you may wish to complete – please note that the closing date is **25th April**.

Please visit the following link for further information regarding this:
